

Michael Jackson - Heal the World

tom:

Intro: A D E D
A D E D

[Primeira Parte]

There's a place in your heart

And I know that it is love

And this place it

Was brighter than tomorrow

And if you really try

You'll find there's no need to cry

In this place you'll feel

There's no hurt or sorrow

[Pré-Refrão]

There are

Ways to get there

If you care enough for the living

Make a little space

Make a better place

[Refrão]

Heal the world

Make it a better place

For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make it a better place

For you and for me

[Segunda Parte]

If you want to know why

There's love that cannot lie

Love is strong

It only cares of joyful giving

If we try we shall see

In this bliss

We cannot feel

Fear or dread

We stop existing and start living

[Pré-Refrão]

Then it

Feels that always

Love's enough for us growing

Make a better world

So make a better world

[Refrão]

Heal the world

Make it a better place

For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make it a better place

For you and for me

[Terceira Parte]

And the dream we were conceived in

Will reveal a joyful face

And the world we once believed in

Will shine again in grace

Then why do we keep strangling life

Wound this Earth, crucify its soul?

Though it's plain to see

This world is heavenly, be God's glow

[Quarta Parte]

We could fly so high

Let our spirits never die

In my heart I feel

You are all my brothers

Create a world with no fear

Together we'll cry happy tears

See the nations turn their swords

Into plowshares

[Pré-Refrão]

We could

Really get there

If you cared enough for the living

Make a little space
