

## Michael Jackson - Keep The Faith

```
Before your confidence will win out
Intro: :: Db : Bbm : Db : Bbm ::
                                                                    B Gb Abm7 B Gb
                                                                    I told my brother how to do the thing right
B Gb Abm7 B Gb
            Ab
                         Bbm Db Db7
If you call out loud will it get inside
                                                                    Lift up your head and show the world you got
         Gb Db Ebm
                                                                    B Gb Abm7 B Gb
                                                                    Go for what you want don't let 'em get in your way
B Gb Gb Db Db4 - Db
Through the heart of your surrender to your alibis?
Db Ab Bbm Db Db7

And you can say the words like you under - stand

Gb Db
                                                                    You can be a winner, but you got to keep the faith
But the power's in believing
        E Ebm
                                                                Gon' keep it brother
So give yourself a chance
                                                               Db4 Db
                                                             You got it
     'Cause you can climb the highest mountain
                       Abm7 - Gb
                                                             I know that keepin' the faith
 Swim the deepest sea - hee
                                                             F7 Bbm
                                                            Means never givin' up on love
               Db
 All you need is the will to wart it
                                                             But the power that love has to make it right
And uhh - little self-esteem
                                                                            makes it right!
                  Db Gb
       So keep the faith
                                                                               Eb Ab
          Db
                                                                    So keep the faith
       Don't let nobody turn you 'round
                                                                          Eb
                                                                    Don't let nobody turn you 'round
            You gotta know when it's good to go
                    Db
                                                                        You gotta know when it's good to go
       To get your dreams up off the ground
                                                                              Eb
                                                                    To get your dreams up off the ground
                  Db
       So keep the faith, baby, yea
                           Gb
                                                                              Eb
                                                                                        Ab
                                                                    So keep the faith, baby, yea
       Because it's just a matter of time
                                                                    Because it's just a matter of time
       Before your confidence will win out
       Before your confidence with B Gb Believe in yourself, no matter what it's gon' take Gb Db Db4 - Db
                                                                                Gb6
                                                                    Before your confidence will win out
                                                                           Ab
                                                                                     Bbm7
       You can be a winner, but you got to keep the faith
                                                             Better stand up and act like you wanna do
                                                                   Ab Bbm7 Gb Ab
                                                             Don't play the fool for the rest of your life
Db Db4 Db
   Gon' keep it brother
                                                              Db Ab Bbm7
                                                            Work on it brother and you'll make it someday
Db Ab Bbm7 Ab
  Db4 Db
You got it
                                                            Go for what you want and don't forget the faith
Db Ab Bbm7 Ab
Look at yourself and what you doin' right now
           Db Ab
And when you think of trust, does it lead you home $\operatorname{\mathsf{Gb}}$
                                                             Db Ab Bbm7 Ab
To a place that you only dream of when you're all alone

Db Ab Bbm Db Db7

And you can go by feel instead of circumstance
                                                             Stand back a minute just to check yourself out
                                                              Db Ab Bbm7
                                                            Straighten out your life and how you're livin' each day Db Ab Ab Db
But the power's in believing
                                                             Get yourself together 'cause you got to keep the faith
     E Ebm
So give yourself a chance
                                                             (Keep the faith)
                                                B - Gb
                   sail across the water
I know that you can
                                                             Don't let nobody take you down, brother
                                                                  Ab
                       Abm7 - Gb
  Float across the sky - high
                                                                 Just keep your eyes on the prize
            Db
                                                                     Eb
  Any road that you take will get you there
                                                             And your feet flat on the ground
                                                            Eb Ab
So keep the faith, baby, yea
       Gb
  If you only try
                                                                         В
                                                             Because it's just a matter of time
                  Db
       So keep the faith,
                                                                         Gb6
                                                            Before your confidence will win out
       Don't let nobody take you down, brother
                                                                   Ab
                       Gb
                                                                                 Bbm7
                                                             Lift up your mind before your mind gets
            Just keep your eyes on the prize
                Db
                                                                   Ab Bbm7 Gb Ab
       And your feet flat on the ground
                                                             Some things in life you best just leave them alone
                                                            Db Ab Bbm7 Gb Ab
                 Db Gb
       So keep the faith, baby, yea
                                                            Go for what you want don't let it get in your way
Db Ab Ab
                                                            You can make it happen but ya got to keep the faith
       Because it's just a matter of time
```

[toda essa parte é sem acorde]

(Keep the faith) Gon' keep it brother you got to keep the faith Yeah keep the faith (Keep the faith) Gon' keep it sister You got to keep the faith - now, now (Keep the faith) I told my brother how to do the thing right Lift up your head and show the world you got pride (Keep the faith) Go for what you want don't let 'em get in your way You can be a winner if you keep the faith (Keep the faith) Straighten out yourself and get your mind on track Dust off your butt and get your self-respect back (Keep the faith)

You've known me long enough to know that I don't play

Fm7
But till that day

Ab Eb I said you've got to keep the faith! Hmmmmm...
