

Michael Jackson - Love Never Felt So Good (feat. Justin Timberlake)

```
Tom: Bb
                                                           Every time I love you
  Dance
                                                           It's in and out my life
Let me see you move, come on
                                                           In and out baby
Let me see you move
                                                           Gm
                                                           Tell me
Baby, love never felt so good
                                                           Rh
    Cm Gb
                                                           If you really love
And I doubt if it ever could
      Gm Bb
                                                           It's in and out my life
Not like you hold me, hold me
                                                           Driving me crazy
                                                           Bb7
Oh baby, Love never felt so fine Gb
                                                           Bb
And I doubt if it's ever mine
                                                           Love never felt so good
       Gm Bb
Not like you hold me, hold me
     Cm
                                                           Let me see you move, come on
And the night's gonna be just fine
                                                           Let me see you move
   Bb7 Am
                                                           Dancin'
Gotta fly, Gotta see, Can't believe
                                                           Let me see you move, come on
                                                           I said let me see you move
I can't take it cause
                                                           Michael
Baby,
                                                           And the night is that feels good
                                                                Bb7 Am
                                                           Gotta fly, gotta sing, can't believe
Every time I love you
                                                           I can't take it cause
It's in and out my life
In and out baby
Gm
                                                           Baby
Tell me
                                                           Bb
                                                           Every time I love you
If you really love me
                                                           It's in and out my life
It's in and out my life
                                                           Gb
                                                           In and out baby
In and out baby
Bb7
                                                           Tell me
So baby
                                                           If you really love
Bb
Love never felt so good
                                                           It's in and out my life
Oh baby, Love never felt so fine
                                                           Driving me crazy
 Cm
                                                              Bb7
And I doubt if it was ever mine
                                                           Cause baby
       Gm Bb
Not like you hold me, hold me
                                                           Love never felt so good
    Bb
Oh baby, Love never felt so good
                                                           Never felt so good (oh)
    Cm Gb
And I doubt if it ever could
      Gm Bb
                                                           It never felt so good
Not like you hold me, hold me
                                                           Never felt so good
      Cm
And the night through the thick and thin
                                                           Bh
                                                           It never felt so good (Never felt so good)
   Bb7 Am
Gotta fly, gotta see, can't believe
                                                           It never felt so good
      Bb
I can't take it cause
                                                           Rh
                                                           Never felt so good
                                                           Alright that's fine
```
