Capostraste na 4º casa
                                                         When you find that you're always waiting
Intro: C
                                                          Am G G
                                                         For a love we used to share
                                                         F Bb G
                                                         Just call my name, and I'll be there
                                                         [Solo] Am Gbm Abm Db
                                                               Gb Gbm Bm E E7
One day in your life
                                                                 G G
                                                          Am
You'll remember a place
                                                         You'll remember me somehow
Someone touching your face
                                                         Though you don't need me now
                          Dm
                                G G
                                                         Dm G
                                                                      C
You'll come back and you'll look around, you'll
                                                         I will stay in your heart
One day in your life
                                                         And when things fall apart
                                                               D7 Dm Dadd9
                Bm
You'll remember the love you found here
                                                         You'll remember one day
     G G C
You'll remember me somehow
                                                         One day in your life
Though you don't need me now
                                                         When you find that you're always lonely
