Darkness falls across the land, the midnight hour is close at Creatures crawl in search of blood, to terrorize y'awl's neighbourhood And whosoever shall be found, without the soul for getting

Must stand and face the hounds of hell, and rot inside a corpse's shell

The foulest stench is in the air, the funk of forty thousand years

And grizzy ghouls from every tomb, are closing in to seal your doom

And though you fight to stay alive, your body starts to shiver For no mere mortal can resist, the evil of the thriller
