```
Tom: C
  (intro 6x) Dm C G
         Dm C G
Ooh, my honey
                              Dm C G
you got me workin' day and night
        Dm C G
Ooh, my sugar
                          Dm C G
You got me workin' day night
               Dm C G
Scratch my shoulder
It's aching make it feel alright
             Dm C G
When this is over
Lovin' you will be so right
          Dm C G
I often wonder
                           Dm C G
If lovin' you will be tonight
```

Acordes

```
But what is love, girl
                        Dm C G
If I'm always out of sight
That's why
You got me workin' day and night
And I'll be workin'
From sun up to midnight
(You got me workin')
       Dm
(Workin' day and night)
(You got me workin')
      Dm C
(Workin' day and night)
Hard
(You got me workin')
     Dm C
(Workin' day and night)
Hard, hard
(You got me workin')
(Workin' day and night)....
```
