

Michael Kiske - Do I Remember a Life

Tom: G

I once was a blue eyed
 I once dreamed I was free
 I once dived in a life spending sea
 And heard the voice of the priest

I once heard the angels
 Singing the song of the cross
 There was no fear, no doubts in our hearts
 No soul could ever get lost

I prayed to the heavens above
 I reached for the sky full of love
 Awaited the luminous sign
 To hear what's heard by the pure-restless mind

Now you can see me return
 I look for the priest to make me learn
 Will I remember the past?
 Make me return to the best!

Do I remember a life?
 In the dark age of time?
 I hear it call in my dreams
 Maybe I was not alone?
 Maybe I called friends my own?
 Together hearts full of love!
 I know my heart says the truth
 Maybe it was me and you?
 I got to return to the wind
 This world is never our home
 Somewhere I left friends alone
 Can someone show me the way?
 Do I remember a life?

There once was the mystery
 That now sings in my heart
 The fire in my veins talks so loud about the past
 About the place where the love for our hearts starts

We once moved through the cold fields

Strong and save led by the gods
 The voices in the wind sang the children to sleep
 Free spirits looked clear through the dark

I pray to the heavens above
 I reach for the sky full of love
 I wait for the luminous sign
 To hear what's heard by the pure-restless mind

I see the twelve around the One
 The mystery truth to carry on
 A fight against the strong earth-kings
 The sungod's light we had to bring

Do I remember a life?
 In the dark age of time?
 I hear it call in my dreams
 Maybe I was not alone?
 Maybe I called friends my own?
 Together hearts full of love!
 I know my heart says the truth
 Maybe it was me and you?
 I got to return to the wind
 This world is never our home
 Somewhere I left friends alone
 Can someone show me the way?
 Do I remember a life?

(Em Am Em Am D D)

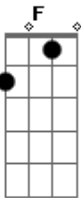

Oh, god! Help me to understand me
 Guide me through visions I see
 So far
 You carry my soul back in time
 The past shows the future to climb
 Oh, god! Did I once be there by your side?
 Will I once return to your light?

So far
 Away from this world leads your love
 My heart gets the wings of a dove and flies
 Oh, god! Help me to sing you this song
 I pray for your kingdom to come
