

Michael Kiwanuka - Bones

tom:

Bb

Honey, I've been thinkin' 'bout you

All that you do

Don't you think of me too?

Lady, where you've been for so long?

I don't need you no more

Had to write you this song

Well I long to be alone with you

And if I couldn't have you I don't know

What I would do

I guess I would leave (I would leave)

This world alone (This world alone)

Cause without you I'm just bones (Bones)

Well I dream of you so much

Love you so much but

But thoughts aren't enough

Well I speak only of you

So what else is new?

What am I to do?

Well I long to be alone with you

And if I couldn't have you I don't know

What I would do
