

Michael Ramos - Always Have a Hope To Find a Master

I will follow the precise path to fill tom: Gbm7 Intro: C7M The various time has left in the chest E7 [Primeira Parte] But not easy to live alone in this city Am7 Am7 Crazy as Sao Paulo with big building trade In this walk I'm living, a hundred million light away from you That's why I sift through the rubbish of your arms What city street can I find you? Gbm7 It always gets hot on winter days Maybe it could be on public transportation Am7 In city parks or culture center There will be a sign around a great master Always have a hope to find a master Am7 Only time will tell to heal the broken heart [Final] C7M Gbm7 I wonder how long it will take The time of the world cup or maybe will not come
