

Michael W. Smith - Signs

Tom: C
Intro: F G Am Em F G Am Em

F G
You're weighed down with regret
Am Em
You can't see the road ahead
F G Am G
Or the burden on your back
F G
It seems the trek will never end
Am Em
The winding paths that still descend
F G Am
And up above the sky washed black
F G F
You just can't bear to look at that

Chorus:

C Am-G
Follow the signs, open your eyes
Dm
Read between the lines of what you see
F
Look into the soul of reality
C Am-G
Open your mind, look at the signs
Dm

Never look back at yesterday
F
Keep your gaze steady on the narrow way

Refrain: F G Am Em F G Am

F G
Now you find the sacred tree
Am Em
You kneel upon the broken wheat
F G Am Em
You watch your burden fall away
F G
And all the things which you once sought
Am Em
Now are counted less than lost
F G Am
For now you see the light of day
F G F
The signs were pointing all the way

REPEAT Chorus

C Am G
Open your eyes, look at the signs
Dm F
Open your mind, follow the signs

REPEAT Chorus

Acordes
