## Michael W. Smith - Signs

Tom: C Intro: F G Am Em F G Am Em F G You're wieghed down with regret Am Em You can't see the road ahead F G Am G Or the burden on your back F It seems the trek will never end Am Em The winding paths that still descend F. G Am And up above the sky washed black F G You just can't bear to look at that Chorus:

C Am-G Follow the signs, open your eyes Dm Read between the lines of what you see F Look into the soul of reality C Am-G Open your mind, look at the signs Dm

## Acordes

Never look back at yesterday F Keep your gaze steady on the narrow way Refrain: F G Am Em F G Am

G Now you find the sacred tree Em Am You kneel upon the brken wheat Am Em G You watch your burden fall away F G And all the things which you once sought Am Em Now are counted less than lost G F. Am For now you see the light of day G The signs were pointing all the way REPEAT Chorus

C Am G Open your eyes, look at the signs Dm F Open your mind, follow the signs
