If they were to write about the story of my life

They would have to mention You with every page they'd write

There's another side to every story told

If I were the ocean, You would be the shore

B Gbm Dbm Ab A

And one without the other one would be needing something more

Gbm C#m2 C#m2/7 D2 E

We are the shadow and the light

Chorus:

A E Dbm B

Always love me (and) never leave me now

E A Dbm B E

(And) now You are the other side of me

A E Dbm B
Always love me (and) never leave me now
E A Dbm B E A E A E
(And) now You are the other side of me

I have known the emptiness of feeling out of touch
And living life without You here would be living half as much
Cause I've a need that only You can fill
If love was mathematical You'd understand the sum
To the heart's equation where one and one makes one
And lonely equals me minus You

Chorus

E A Dbm B E A E
...(And) now You are the other side of me

Gbm E A E
The other side of me
