

Michal Leah - Almost Loved You

tom:
F (forma dos acordes no tom de D)
Capostrate na 3ª casa

I never felt so damn exposed
It's like you held me up just to let me go
I heard you're fine... and that's alright
But the hardest part about this is you won't say goodbye

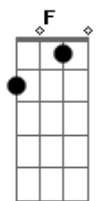

I tried my best to hold my breath
Turns out I was right to second guess

You gave your word
And made a promise
And wrapped them in a lie
And I said it didn't hurt
But if I'm being honest
The closer we got
The further I fell
So close
I almost
Loved you

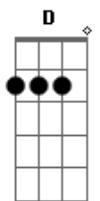

I wish I knew the words you said
Are more than what my heart should ever take
I wish you never knew my name
Wish you could take back what you gave
Then maybe, I'd be okay

You gave your word
