

Michale Graves - All The Halways

Tom: E

Dbm A E B

Fun everybody knows I hate having fun
And I hate the human race
And I hate your face

A E
But I know what I live to die for

A B
Is to spend my time with you

E E Dbm A B

All of these stupid hallways
Run down your disillusion
Altered bodies revolution
Send my thanks in an advancing tank
We rule the world tonight
We move, we dance, we die

Run, it makes no sense to run
You can't get away from all the damage done
Don't destroy this place

A E
But I know what I live to die for

A B

Is to spend my time with you

All of these stupid hallways
Run down your disillusion
Altered bodies revolution
Send my thanks in an advancing tank
We rule the world tonight
We move, we dance, we die
