

# Michel Ricardo - Born To Live

tom:

Intro: A E Gbm D  
A E D

Seja born to live e floresça  
Seja born to live fique em paz

Quando chega o novo dia  
Não deixe de agradecer  
Pelo milagre da vida

Plante a semente boa  
Reggae com muito amor  
Tenha fé no criador

Lembre-se que o tempo voa  
E o melhor não custa caro

Aproveite as coisas boas  
O tal do simples está ficando raro

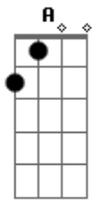

Curta a vida consciente  
Não deixe nada para traz  
Aproveite o presente

Cuide bem da sua mente  
Felicidade a gente faz  
Viva a vida intensamente

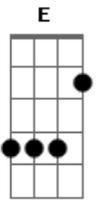

[Refrão]

Stay free for life and sing together  
With me, we pray and get better  
Don't worry, no more, be in peace  
We have it all, just born to live, born to live, born to live
