You know I've had my share of ups and downs

Trynna keep my spirits high so I can walk in

(Into your life)

Bm E Am

Acordes

Used to be right next to me
Gm C7 F
All the things you dream about when you're retained

Now it seems like everything's so far away
C
Then one day you know
I heard a word

Saying: Girl you'll be fine
C
I heard a word
F
That would ease my troubled mind
Bm E Am
Took all the hurt away
Gm C7 F
