

# MICHL - Kill Our Way to Heaven

Tom: Db

(com acordes na forma de C )

Capostrate na 1ª casa

Am Em Dm  
The dust in day, blind us slowly

But give a hint of a view to make you feel alright

Am Em Dm  
And though it hurts, we keep on climbing

F  
'Cause our addiction takes us from inside

Dm F  
A sturdy back but brittle bones

G  
Too weak to show

Am Em  
We would say anything just to hear what we when we want

F  
Right or wrong

Dm  
Then we lie to be forgiven

Am Em  
We would sell anything just to buy who we're not

F  
Any cost

Dm Am G F  
Oh we kill our way to heaven 0000000oh

Dm  
Oh we kill our way to heaven

Am Em Dm  
We search along for golden crowns

'Cause if we find it, we're having it all to ourselves

Am Em Dm  
So one by one, we lay our bricks down

F  
To pave a road on the shoulders of somebody else

Dm F  
A sturdy back but brittle bones

G  
Too weak to show

Am Em  
We would say anything just to hear what we when we want

F  
Right or wrong

Dm  
Then we lie to be forgiven

Am Em
