

MICO - HOMESICK

tom:
C

I went for a weekend
Am
Turned into a week
G
I said I'd be back in the summer
C
Em
Ended up falling in too deep

F
It's less like a feeling
Am
And more like a rush
G
I wanna say everything
C
But you're not listening
Em
So I don't say too much

F Am G
Ooh, we'd climb to the top of your roof
C Em F
Want forever here under the Moon
Am G
If only you wanted it too

Ooh, ooh, cause

F Am
I'd stay
G F
Cancel my flights
C Em F
Change everything just to be in your life
Am
Homesick
G F
But I'd leave it behind
C Em
To be with you night after night

F Am
Oh, I'd unpack my bags if you wanted me to
G C
But I'm just a tourist to you

F
I'm feeling it heat up
Am
Kinda missing the cold
G
You're saying you'll visit Toronto
C Em
If I even make it home
F
Don't know if I'm staying
Am G
Or waiting until I go broke (broke, broke, broke)
C Em

At least till this view gets old

F Am G
Ooh, we'd climb back down into your room
C Em F
Know we've ran out of things we could do
Am G
But, God, if you're asking me to

Ooh, I hope you know that

F Am
I'd stay
G F
Cancel my flights
C Em F
Change everything just to be in your life
Am
Homesick
G F
But I'd leave it behind
C Em Am
To be with you night after night after night

Dm Am G
Every night until you look back at me
Dm Am
And have that same look in your eyes
G
Holding me close and saying you'll come with me

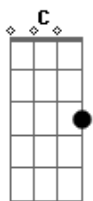

Ooh, cause

F Am
I'd stay
G F
Cancel my flights
C Em F
Change everything just to be in your life
Am
Homesick
G F
But I'd leave it behind
C Em F
To be with you night after night after night

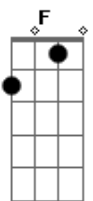

F Am
I'd stay
G F
Cancel my flights
C Em F
Change everything just to be in your life
Am
Homesick
G F
But I'd leave it behind
C Em
To be with you night after night

F Am
Oh, I'd unpack my bags if you wanted me to
G C
But I'm just a tourist to you
