

MICO - Senses

tom:
Dbm (forma dos acordes no tom de **Bm**)
 Capotraste na 2ª casa

[Primeira Parte]
 I heard you talk in your sleep
 Livin' through dreams I could never repeat
 I hate the smile on your face
 It hurts that it's something I'll never
 Achieve

[Pré-Refrão]
 You'd say, "Destiny always seemed make
 Believe"
 But I know that we're destined to fall
 'Cause honestly, you deserve everything
 That I'm not, oh

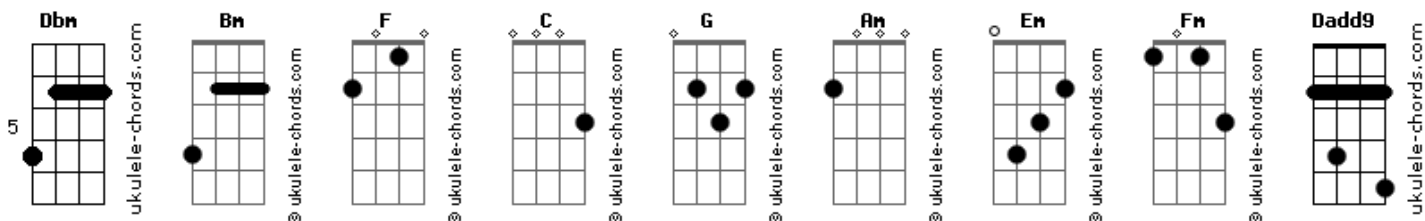

[Refrão]
 Someday I know you'll come to your senses
 And leave me alone with all of my
 Questions
 Oh, I don't have the answer
 I can't give you more
 I know that you'll never be mine
 But I'll always be yours

G Am Em Em

[Segunda Parte]
 I heard you snap at your friends
 Said that you're happier now in defense
 'Cause I know they hate how you changed
 Into someone you're not
 Just to make it make sense

[Pré-Refrão]
 You'd say, "Maybe we make our own destiny"

Acordes

 But I know that we're destined to break
 [Refrão]
 Someday I know you'll come to your senses
 And leave me alone with all of my
 Questions
 'Cause I don't have the answer
 I can't give you more
 I know that you'll never be mine
 But I'll always be yours
 [Ponte]
 Know you fell for the person that tried to
 Be someone they're not
 You long for a feeling you'll never get
 Back
 And I'm scared that you'll finally give up
 I'm never enough

The one that you wanted, but never the one
 That you'll love

[Refrão]
 Gc F G
 And I know you'll come to your senses
 And leave me alone with all of my
 Questions
 'Cause I don't have the answer
 I can't give you more
 I know that you'll never be mine
 But I'll always be yours

[Final]

 I'll always be yours
 And I'll always be yours (Oh, oh, oh, oh)
 'Cause I know that you'll never be mine
