

## Middle Kids - Never Start

```
Tom: C
            [Primeira Parte]
All of this time there's been no change
Cuz you've got no heart and I've got no brain
But I know, I know, I know
You like to learn the hard way
You can be the self-appointed sitting in your chair
And I'll be your tornado baby, twisting through the air
But I don't know how long I'll be here
[Refrão]
And I'm not trying to start a fight here
But it's building up inside, yeah
And you don't even know
I'm not saying pick a side
I'm just trying to do it right
Even though I know, I know I won't
(G Am Em)
[Segunda Parte]
I've got no space and you've got no time
If we jump up and down together maybe we'll be fine
[Ponte]
But I know, I know, I know it aches
And I know, I know, I know it aches
And I know, I know, I know it aches
```

## **Acordes**

```
And I know, I know you can't explain it
[Refrão]
And I'm not trying to start a fight here
But it's building up inside, yeah
And you don't even know
I'm not saying pick a side
I'm just trying to do it right
Even though I know, I know I won't
I'm not trying to start a fight here
But it's building up inside, yeah
And you don't even know (no, no you don't know)
I'm not saying pick a side
I'm just trying to do it right
Even though I know, I know I won't
(G Am Em)
[Refrão]
I'm not trying to start a fight here
But it's building up inside, yeah
And you don't even know
I'm not saying pick a side
I'm just trying to do it right
Even though I know, I know I won't
No, I know, I won't
No, I know, I won't
```

No, I know, I won't
