

# Midland - Burn Out

Tom: **G**

Watchin' cigarettes burn out  
 Till all the neon gets **Em** turned out  
 I'm so on fire for you it hurts how **Am**  
**C** **D** **G**  
 Fast a cigarette can burn out

**C** **Bm**  
 Just watchin' rivers run down the side of the bottle  
**Am** **G**  
 almost like it's cryin' my tears  
**C**  
 Had the world on a string  
**Bm**  
 and then I lost everything  
**Am** **D**  
 and that's how I wound up here

**G**  
 Watchin' cigarettes burn out  
**Em**  
 Till all the neon gets turned out  
**Am**  
 There's nothin' left but empty glasses now  
**C**  
 it's all flashes now  
**D** **D7** **Em7** **D**  
 a smokin' memory that ain't nothin' but ashes  
**G**  
 in the low lights  
**Em**  
 These done me wrong songs hit me so right  
**Am**  
 I'm so on fire for you it hurts how  
**C** **D** **G**  
 fast a cigarette can burn out

**C**  
 If you put your hands on the flame  
**Bm**

You've got no right to complain  
**Am** **G**  
 Cause you know it's going to leave a mark  
**C** **Bm**  
 When the glow comes to an end like scattered embers in the  
 wind  
**Am** **D**  
 Leaves you lookin' for a brand new spark  
**G**  
 Watchin' cigarettes burn out

[Solo] **G** **Em** **Am** **D**

**D** **C** **Bm**  
 Now with every hit I'm going to quit  
**Am** **G**  
 But who am I kiddin' I just can't put you down  
**C**  
 So I keep hangin' around

**G**  
 Watchin' cigarettes burn out  
**Em**  
 Till all the neon gets turned out  
**Am**  
 There's nothin' left but empty glasses now  
**C**  
 It's all flashes now  
**D** **D7** **Em7** **D**  
 A smokin' memory that ain't nothin' but ashes  
**G**  
 In the low lights  
**Em**  
 These done me wrong songs hit me so right  
**Am**  
 I'm so on fire for you it hurts how  
**C** **D** **G**  
 Fast a cigarette can burn out  
**Em** **Am**  
 I'm so on fire for you it hurts how  
**C** **D** **G** **Em**  
 Fast a cigarette can burn out
