**Ebm** **Gb** **Db**

**Ebm**  
Little pieces  
**Gb**  
Are fallin' all around  
**Ab**  
But you delight in coinciding with the revelry  
**Ebm** **Gb**  
Your black magic has got me mesmerized

**Db** **Ebm**  
'Cause I'm a sucker for the kinda pain you prophesize  
( **Ebm** **Gb** **Ab** )  
( **Ebm** **Gb** **Db** )

**Ebm** **Gb**  
Every time that you would say that you would set me free  
**Ab**  
You corner, capture, kill and cultivate your love for me  
**Ebm** **Gb**  
(Oh) baby let me go (say) how you love me so I need it,  
believe it

**Db**  
So tell me your lies  
**Ebm**  
When the blackout comes 'cause I looked away  
**Ab** **Bb**  
Turned my cheek about yesterday  
**Ebm**  
Gonna come to you on my hands and knees  
**Abm** **Bb**  
Pour another round cause I don't need slow release  
**Ebm**  
When the blackout comes 'cause I looked away  
**Abm** **Bbm** **Bb**  
Turned my cheek about yesterday  
**Ebm**

And I can take it gimme ya heathen ways  
**Db** **Ebm**  
The pain's a counter to the pleasure and I love the taste
