

Midnight Kids - Run It (feat. Annika Wells)

tom:

Ab

Ab **Eb**
I remember when, in the summer winds

Abm **Db**
We would speed down the 405 playing The Who

Ab **Eb**
With?the?red lights, and?adrenaline

Abm **Db**
We had young blood in our?veins and dirt on our shoes

[Pré-Refrão]

Ab **Eb**
But you sold, that car, the year you finished school

Abm **Db**
And I stopped, wearing, that faded pair of shoes

Ab **Eb** **Abm**
We got, so wrapped up in the clouds, we fell through

Db
Hey! Hey! Hey! Oh!

[Refrão]

Ab **Eb**
We just want to, stay this young for

Abm
Every day the bills keep coming

Db
All the bullshit we're all stuck in

Ab **Eb**
Take me back to, when we'd just drive

Abm
Think it's time that we said fuck it

Db
Red light! Let's run it

Ab **Eb**
I'm sitting in line, on the 405

Abm **Db**
When the same song that we'd sing is playing outside

Ab
I got the windows up but I can hear enough

Eb
For it to bring me back to the way we loved

Abm **Db**
Feeling so big, feeling sober, feeling alive

[Pré-Refrão]

Ab **Eb**
But you sold, that car, the year you finished school

Abm **Db**
And I stopped, wearing, that faded pair of shoes

Ab **Eb** **Abm**
We got, so wrapped up in the clouds, we fell through

Db
Hey! Hey! Hey! Oh!

[Refrão]

Ab **Eb**
We just want to, stay this young for

Abm
Every day the bills keep coming

Db
All the bullshit we're all stuck in

Ab **Eb**
Take me back to, when we'd just drive

Abm
Think it's time that we said fuck it

Db
Red light! Let's run it

Ab **Eb** **Abm** **Db**
Oh, oh, oh-oh-oh-oh

Oh, oh, oh-oh-oh-oh
Oh, oh, oh-oh-oh-oh

Red light! Let's run it!
