

# Midnight Rebels - DEATH

tom:

Am

[Primeira Parte]

Am F  
In the shadows of the night, I walk alone  
C G  
Feeling the weight of the world, silence is my knot  
Am F  
Each step is an echo, a whisper of pain  
C G  
But I find peace, at the end of the hall

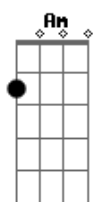

[Refrão]

F C  
Death, oh Death, you come to take me  
G Am  
With your cold arms, you make me rest  
F C  
Death, oh Death, there's nothing more to fear  
G Am  
In your embrace, I will be reborn

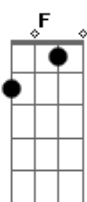

[Segunda Parte]

Am F  
The stars in the sky, shine like beacons  
C G  
Guiding my soul, far from us  
Am F  
I leave behind, the chains of life  
C G

And embrace the unknown, without farewell

[Refrão]

F C  
Death, oh Death, you come to take me  
G Am  
With your cold arms, you make me rest  
F C  
Death, oh Death, there's nothing more to fear  
G Am  
In your embrace, I will be reborn

[Ponte]

Dm Am  
And in the eternal silence, I find the truth  
G C  
Life is a cycle, a brief longing  
Dm Am  
There is no end, only transformation  
G C  
Death is just a new song

[Refrão]

F C  
Death, oh Death, you come to take me  
G Am  
With your cold arms, you make me rest  
F C  
Death, oh Death, there's nothing more to fear  
G Am  
In your embrace, I will be reborn
