

Miguel Araújo - Aqui Jaz José Dos Santos

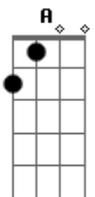

tom:

Quando os dias eram grandes
 E era o tempo da cereja
 Atalhávamos caminho
 Pelas traseiras da igreja
 Desafios de rapaz
 Eram para levar a sério
 Não valia olhar para trás
 Ao passar no cemitério
 Dava para ler na pedra
 Os nomes dos falecidos
 E os panegíricos finais

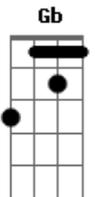

Em epitáfios esbatidos

?Aqui jaz José dos Santos?
 (Não se lia bem a data)
 Zés dos Santos foram tantos
 Para quê toda esta bravata
 Mais um santo zé ninguém
 Jaz contra sua vontade
 Há-de ter deixado alguém
 Que deixou de ter saudade
 ?Aqui jaz José dos Santos?
 (E outras exéquias bonitas)
 Zés assim hão-de ser tantos
 Que este nunca tem visitas
