

## **Miguel Jontel - Sure Thing**

```
Tom: D
                                                                Writer baby, you could be the quote
   Love you like a brother,
                                                                If I'm the lyric baby, you could be the note. record that
   Treat you like a friend.
                                                                Saint I'm a sinner, prize I'm a winner, it's you
Dbm
                                                                What can I do to deserve that
  Respect you like a lover
  Oh, oh, oh, oh, oh
                                                                 Paper baby, I'll be the pen
You could bet that
                                                                                 Bm
                                                                Say that I'm the one, cause girl you're a ten
   You could bet that Never gotta sweat that
                                                                Refrâo:
   You could bet that Never gotta sweat that
                                                                   Even when the sky comes falling
  You could bet that Never gotta sweat that
                                                                   Even when the sun don't shine
  You could bet that Never gotta sweat that
                                                                   I got faith in you and I
Primeira Parte:
                                                                   So put your pretty little hand in mine
If you be the cash, I'll be the rubberband
                                                                   Even when we're down to the wire baby
You be the match, I'm gon be the fuse, boom
                                                                   Even when it's do or die
Painter baby, you could be the muse
                                                                Dhm
                                                                   We could do it baby, simple and plain
I'm the reporter baby, you could be the news
                                                                   Cause this love is a sure thing
Cause you're the cigarette and I'm the smoker
                                                                Ponte:
           Ghm
We raise a bet, cause you're the joker Truth tho...
                                                                   Now rock with me babe, let me hold you in my arms, talk
You are the chalk and I can be the blackboard
                                                                with me babe yeah, yeah)
You could be the talk and I could be the walk
                                                                  Now rock with me babe, let me hold you in my arms, talk with
                                                                me babe yeah, yeah)
Refrão:
   Even when the sky comes falling
                                                                This love between you and I is simple as pie baby
                                                                            Dbm
                                                                It's such a sure thing (such a sure thing)
   Even when the sun don't shine
   I got faith in you and I
                                                                Ooh it such a sure thing (such a sure thing)
  So put your pretty little hand in mine
                                                                Refrão:
   Even when we're down to the wire baby
                                                                   Even when the sky comes falling
  Even when it's do or die
                                                                   Even when the sun don't shine
Dhm
   We could do it baby, simple and plain
                                                                   I got faith in you and I
  Cause this love is a sure thing
                                                                   So put your pretty little hand in mine
                                                                   Even when we're down to the wire baby
   You could bet that Never gotta sweat that
                                                                   Even when it's do or die
   You could bet that Never gotta sweat that
                                                                Dhm
                                                                   We could do it baby, simple and plain
   You could bet that Never gotta sweat that
                                                                   Cause this love is a sure thing
   You could bet that Never gotta sweat that
Segunda Parte:
                                                                   Love you like a brother,
You could be the lover, I'll be the fighter baby
                                                                   Treat you like a friend.
If I'm the blunt, you could be the lighter babe
                                                                   Respect you like a lover
Fire it up
                                                                   Oh, oh, oh, oh, oh
```
