

Miike Snow - The Heart Of Me

Tom: Bb
Intro: Bb C F G

You took the yellow diamonds biz and turned it on its head
Everybody wants to turn up; give it to them
Shock through attention, shock through attention
You put a lasso on the scene
Feeds and pages; feeds and pages
Look away, take the back door to
The heart of me
Because I can't believe
That anything's cool anymore
(Bb C F G)
(Bb C F G)

I want to touch you; I want you to touch me
I can't stop this hurtful shit from happening
You and I, we've been through it
And this is not our way
Dip into the lake, the mountains shake

The fear of God into
The heart of me
Because I can't believe
That anything's cool anymore
(Bb C F G)
(Bb C F G)

I remember standing in a cathedral
Somewhere in northern europe; I think it was paradiso
The space around my head was ringing
I felt like I finally touched this world
I felt as if I finally understood
That we had to do something of our own now
Even if I didn't know it at the time
I couldn't take it anymore
The heart of me
Because I can't believe
To the heart of me
Because I can't believe
(Bb F Dm)
