Intro: A Dbm Gbm Dm

A  
Late at night  
Dbm Gbm  
Your touch is brighter than the stars  
With all my scars  
Dm  
Empty bed and crowded head  
A  
When it gets hard, you know it gets  
Dbm  
But I?m still trying my best  
Gbm  
We play pretend that we don?t care  
Dm  
And I?m really trying

A  
Red wine, I wish we had a fight  
Dbm  
But you could be better now  
And I wouldn?t write this down  
Gbm  
Do you feel the way I do?  
Dm  
We could be better now

We could be

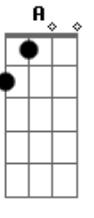

A Dbm  
If you just give me a wonderful chance  
Gbm Dm  
I would make you my wonderful mistake  
A  
So don?t blame me for it  
Or for feeling  
Dm  
The way I do  
For you, its just the truth  
Gbm  
Don?t get close to see the future  
Dm  
If we be more than friends

Can we be more than friends, please?
