

Mike Herrera - Don't Walk Away

tom:
Bb (forma dos acordes no tom de B)
Afinação: Eb Ab Db Gb Bb Eb

I need the comfort
That's in your arms
Squeeze and hold me tight, and keep me warm
I need the passion
That's in your heart
Say you'll never leave and be apart

So don't walk away
Don't turn your back
If you leave today
My whole world would turn black
So don't walk away
Don't change your mind
It's time you took the chance
And put your hand in mine
So don't walk away

I need the glow of
Your darling face
Accept this crown of love
And live in grace

I need the colors
Painted in your mind

Your beauty and your brilliance
So hard to find

So don't walk away
Don't turn your back
If you leave today
My whole world would turn black
So don't walk away
Don't change your mind
It's time you took the chance
And put your hand in mine

You are my angel
Please don't be afraid
You are my saving grace
My hearts first aid

So don't walk away
So don't walk away
So don't walk away
Don't turn your back
If you leave today
My whole world would turn black
So don't walk away
Don't change your mind
It's time you took the chance
And put your hand in mine
So don't walk away
