

Mike Krol - Fifteen Minutes

Tom: G

What if I told you that the world was gonna end
and you had fifteen minutes minutes to spend with me or your friends
Would you take the first bus over to my house
Or would you take the last plane over the West Coast
See at times like these with a change of heart
It was over and done before we had a start
It goes on in my head and I'll wind up dead
Singing sha-la-la-la-la-la-la-la-la-la
(G Bm Em C)

What if all the stars came crashing to the ground
And explosives and fires started happening all around
Would you believe me and come home
Or sit back, let it be?
I can't do this by myself
(G C Em)
(G C Em)
What if I told you that the world was gonna end
And you had fifteen minutes minutes to spend with me or your friends
I guess we don't even need to use the phone
I don't need your answer, I'll be spending it alone
