Intro: **Ab** **Fm** **Cm** **Bbm**
Ab **Fm** **Cm** **Bbm**

Ab **Fm** **Cm** **Bbm**
 If I was looking for a best friend
Ab **Fm** **Cm** **Bbm**
 Well I've already had so many of those
Ab **Fm** **Cm** **Bbm**
 Someone to put me to the test
Ab **Fm** **Cm** **Bbm**
 And make fun of me and help me pick out my clothes
Ab **Fm** **Cm** **Bbm**
 And if I was looking for a lover
Ab **Fm** **Cm** **Bbm**
 I could have had just about a million flings
Ab **Fm** **Cm** **Bbm**
 But I was looking for somebody
Ab **Fm** **Cm**
 Who could be all these things
Bbm **Ab** **Fm** **Cm**
 Then I found you
Bbm **Ab** **Fm** **Cm**
 Then I found you
Bbm **Ab** **Cm** **Gb**
 And my world is different now
Bbm
 I'm on the road to somewhere
Ab **Cm** **Gb**
 Could it be somehow
Bbm
 That we were distant travelers
Ab **Cm** **Gb**
 Passing in the sky
Bbm **Ab**
 Well I just had to stop and say hi
Cm **Gb** **Bbm**
 I just had to stop on by
 (**Ab** **Fm** **Cm** **Bbm**)
 (**Ab** **Fm** **Cm** **Bbm**)

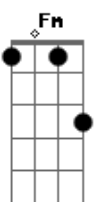

Ab **Fm**
 Oh my love Don't you know

Cm **Bbm**
 Can't you feel it, don't it show
Cm **Bbm**
 That inside sometimes it's like I'm 'bout to explode
Ab
 And overflow with happiness
Fm **Cm**
 Want you to know I feel so blessed just to be
Bbm
 In the presence of such a precious empress
Ab
 I feel overwhelmed sometimes
Fm
