

Mike Oldfield - Moonlight Shadow

Tom: E

The last that ever she saw him

Carried away by a moonlight shadow

He passed on worried and warning

Carried away by a moonlight shadow.

Lost in a river last Saturday night

Far away on the other side.

He was caught in the middle of a desperate fight

And she couldn't find how to push through

The trees that whisper in the evening

Carried away by a moonlight shadow

Sing a song of sorrow and grieving

Carried away by a moonlight shadow

All she saw was a silhouette of a gun

Far away on the other side.

He was shot six times by a man on the run

And she couldn't find how to push through

I stay I pray

I see you in heaven far away

I stay I pray

I see you in heaven far away

Four am in the morning

Carried away by a moonlight shadow

I watched your vision forming

Carried away by a moonlight shadow

Star was light in a silvery night

Far away on the other side

Will you come to talk to me this night

But she couldn't find how to push through

I stay I pray

I see you in heaven far away

I stay I pray

I see you in heaven far away
