

Mike Oldfield - Nuclear

Tom: Ab

Standing on the edge of the crater
 Like the prophets once said
 And the ashes are all cold now
 No more bullets and the embers are dead
 Whispers in the air tell the tales
 Of the brothers gone
 Desolation
 Devastation
 What a mess we made
 When it all went wrong
 Watching from the edge of the circus
 For the games to begin
 Gladiators draw their swords
 Form their ranks for armageddon
 I'm nuclear
 I'm wild
 I'm breaking up inside
 A heart of broken glass

Defiled
 Deep inside
 The abandoned child
 Standing on the edge of the underworld
 Looking at the abyss
 And I'm hoping for some miracle
 To break out, to escape from all this
 Whispers in the air
 Tell the take of a life that's gone
 Desolation
 Devastation
 What a mess we made
 When it all went wrong
 I'm nuclear
 I'm wild
 I'm breaking up inside
 A heart of broken glass
 Defiled
 Deep inside
 The abandoned child
 (Solo)
 I'm nuclear
 I'm wild
 I'm breaking up inside
 A heart of broken glass
 Defiled
 Deep inside
 The abandoned child
 (Solo)
 Deep inside, the abandoned child!
