Tom: G
Intro: D Am G C
D Am G C

[Primeira Parte]

D Am
I used to know where the bottom was
G C
Somewhere far under the ocean waves
D Am
Up on a ledge I was looking down
G C
It was far enough to keep me safe
D
But the ground was cracked open
Am
Threw me in the ocean
C G
Cast me out away at sea
D
And the waves are still breaking
Am
Now that I awaken
C G
No one's left to answer me

[Refrão]

Am C
My inside's out my left is right
G D
My upside's down my black is white
Am C
I hold my breath and close my eyes
G D
And wait for dawn but there's no light
Am C
Nothing makes sense anymore anymore
G D
Nothing makes sense anymore anymore
Am C
Nothing makes sense anymore anymore
G D
Nothing makes sense anymore anymore

[Segunda Parte]

D Am
I used to sleep without waking up
G C
In a dream I made from painted walls
D Am
I was a moment away from done
G C
When the black spilled out across it all
D
And my eyes were made sober
Am

World was turned over
C G
Washing out the lines I'd seen
D
And my heart is still breaking

Now that I awaken
C G
No one's left to answer me

D Am
I'm a call without an answer
C G
I'm a shadow in the dark
D Am
Trying to put it back together
C G
As I watch it fall apart

Trying to put it back together

As I watch it fall apart
