

Mild High Club - Homage

Tom: **Bb**

Gm **C**
Someone wrote this song before
F **Bb7**
And I could tell you where it's from
Eb **A** **Dm** **D7**
The 4-7-3-6-2-5-1 to put my mind at ease

Bb
Please just have a laugh with me
B **F**
'Cause you know I'm borrowing by now
F **Bb** **G7**

These sounds, have already crowned

Bb
Come on it's a silly dream
B **F**
Dreaming of the imagery unfound
F **Bb** **Bbm**
The view sits nice from that cloud
Bbm **Ab** **Gb** **A**
And if you want a piece of my thoughts
Db **C#(#5)**
There's a coin worth flipping
Db6 **Db7** **Gb** **Ab** **Bb**
Why don't you toss?

Acordes
