

Miles Kane - My Love

```
[Ponte]
                tom:
                A (forma dos acordes no tom de G )
Capostraste na 2ª casa
                                                                My love used to wait around
Intro: G Em G Em
                                                                Now my love just kicks me to the ground
[Primeira Parte]
                                                                My love used to treat me right
I'll be running away
                                                                Keep me warm and hold me through the night
Right outta sight
                                                                Until the morning light
You should know how it feels
                                                                [Terceira Parte]
To leave me like
                                                                You'll be meeting someone
There's no other darkness
                                                                 Fm
                                                                I hope he's nice
          C
Looks like you forgot where your heart is
                                                                It's the end of our run in paradise
[Segunda Parte]
                                                                 C Am
                                                                Cheers, salutations
You been saying the things
                                                                Here's to new relations
I like to hear
                                                                [Refrão]
Look what trouble it brings
                                                                You can buy love
I'm outta here
                                                                You can try love
Hey, what you thinking?
                                                                Go get high, love
This ship is finally sinking
                                                                But you can't have any more of my love
                                                                      Em
[Refrão]
                                                                'Cause goodbye love
        G
                                                                Means goodbye love
You can buy love
                                                                Now you won't have any more of my love
       Em
You can try love
                                                                [Final]
Go get high, love
                                                                              Em
But you can't have any more of my love
                                                                My love, my love, my love
                                                                             G
                                                                    Em
       Em
'Cause goodbye love
                                                                My love, my love, my love
Means goodbye love
                                                                You can't have any more
       D
Now you won't have any more of my love
