

Miles Kane - Sunlight In The Shadows

```
tom:
               F
Intro: E7 A7 E7 A7
       E7 A7 E7 A7
[Primeira Parte]
F7
I got a bad mind, crossed the line
I got the will to win but I'm afraid to die here now
It's cold, Lord, everybody knows
All I can do just to keep it on the road somehow
[Refrão]
Sunlight in the shadows, it's been getting hard to find
                                  E7
                                              Α7
Nothing really matters when you crucify your mind. Riff!
[Solo] E7 A7 E7 A7
[Segunda Parte]
F7
I'm a bad man if you say I am
But I know nobody really gives a damn, alright
I'm gonna stand tall, show you all
                                      E7
```

Acordes

```
You can mount my head up on the wall tonight (tonight)
[Refrão]
 E7
Sunlight in the shadows, it's been getting hard to find
                                                           E7
                                   E7
Nothing really matters when you crucify your mind, come on!
[Ponte]
 E7
                  Α7
                                   F7
Hey good looking, don't you stand there looking that way
Call me crazy, girl, just maybe you'll be mine someday
(Alright)
[Refrão]
Sunlight in the shadows, it's been getting hard to find
                Α7
Nothing really matters when you crucify your mind, come on!
Sunlight in the shadows, it's been getting hard to find
                Α7
                                  F7
Nothing really matters when you crucify your mind
              E7 A7 E7 A7 E7 A7 E7
(Yeah, come on)
(One, two, three, four)
```
