

# Miley Cyrus - Angels Like You

tom:  
F (forma dos acordes no tom de E )  
Capostrate na 1ª casa

[Riff 1]

E B Gbm  
Flowers in hand, waiting for me  
A E  
Every word in poetry  
B Gbm  
Won't call me by name, only baby  
A Dbm  
The more that you give, the less that I need  
B A  
Everyone says I look happy  
Am  
When it feels right

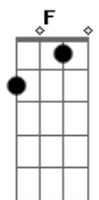

E B  
I know that you're wrong for me  
Gbm A  
Gonna wish we never met on the day I leave  
E B  
I brought you down to your knees  
Gbm A  
'Cause they say that misery loves company  
E B  
It's not your fault I ruin everything  
Gbm A  
And it's not your fault I can't be what you need  
Dbm B A  
Baby, angels like you can't fly down hell with me  
Am  
I'm everything they said I would be

[Riff 1]

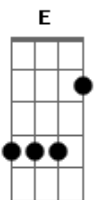

La, la, la  
I'm everything they said I would be

E B Gbm  
I'll put you down slow, love you goodbye  
A E  
Before you let go, just one more time  
B Gbm  
Take off your clothes, pretend that it's fine  
A Dbm  
A little more hurt won't kill you tonight
