

Miley Cyrus - Been Here All Along

Tom: E

Intro: 2x: E A

Sunrise and a lifted my head
Then I smiled at your picture sitting next to my bed
Sunset and you're feeling ok
Coz you smile at the letter that I sent you today

And I, can't wait till I see you again
And I, both say remember when, the band played on the 4th of July
And you held me on your shoulders way up high

Refrão:

You're still there for me, wherever there might be
And if an ocean lies between us
I'll send a message across the sea
That you can sleep tonight
Knowing it is alright
I believe that you will listen to my song
You're with me
You've been here all along
You've been here all along

Back then you walk me to school
Told me to be careful and to follow the rules
Fast forward and you taught me to drive
You gave me the keys and we went for a ride

And I, can't wait till I see you again
And I, both say remember when, I'm holding on to moments like

that
And I know that you're coming back
You're still there for me, wherever there might be
And if an ocean lies between us
I'll send a message across the sea
That you can sleep tonight
Knowing it is alright
I believe that you will listen to my song
You're with me
You've been here all along
You've been here all along

All along the way I keep you
In my heart and in my prayers
You'll always be the one who cares the most
Counting down the days
I see you running up to say "I missed you"
"I missed you"
You're still there for me, wherever there might be
And if an ocean lies between us
I'll send a message across the sea
That you can sleep tonight
Knowing it is alright
I believe that you will listen to my song
You're with me
You've been here all along
You've been here all along
