Intro: 2x:
Primeira Parte:
You tucked me in
Turn out the light
Kept me safe
  Bm
And sound at night

Little girls depend on things like that
Brushed my teeth

And combed my hair
Had to drive me everywhere

                                 Aus4 Bm
You were always there when I looked back
You had to do it all alone
Make a live
And make a hope
Must of been as hard as it could've be
And when I couldn't sleep at night
           Α
Scared things wouldn't turn out right
Segunda Parte:
You would hold my hand
       A D
And sing to me
