

# Miley Cyrus - Butterfly Fly Away

tom: C

You tucked me in C  
Turn out the light F  
Kept me safe Am  
And sound at night C  
Little girls depend on things like that G

Brushed my teeth C  
And combed my hair F  
Had to drive me everywhere Am  
You were always there when I looked back C G

You had to do it all alone F C  
Make a living F  
And make a home C  
Must of been as hard as it could've be C G

And when I couldn't sleep at night F C  
Scared things wouldn't turn out right F C  
You would hold my hand F  
And sing to me

Catipillar in the tree C  
How you wonder who you'll be F  
Am

Can't go far C  
But you can always dream G

Wish you may and wish you might C  
Don't you worry F  
Hold on tight Am  
I Promise you C  
There will come a day G

Butterfly fly away C  
(Butterfly fly away) C  
Got you're wings F  
Now you can stay Am  
Take those dreams C  
And make them all come true G

Butterfly fly away C  
You've been waiting for this day F Am  
All along you know just what to do C  
Butterfly C  
Butterfly C  
Butterfly C  
( F G ) C  
Butterfly fly away C  
( F G ) C  
Butterfly fly away C  
( F G ) C
