

# Miley Cyrus - Clear

Tom: C  
Intro: F-C

It's 6 am and I'm wide awake  
Cuz I can't stop thinking bout the stuff you were sayin  
Me and I, I can't let it slide  
The papers not here yet

The suns not up  
But I'm not afraid to tell you what I feel inside  
I had one of those dreams that made it all so

CHORUS:  
Clear to me now  
I got a whole new perspective  
It's so clear to me now  
You can't treat me that way  
It appears to me how you tried to make me think  
It was me who was being the fake

So clear

Why did I smile when I hurt inside  
Said I was okay when I knew it's a lie  
I wanted to believe in you  
You took your chances  
And one was me  
So I'll just forgive you  
And set you free  
I'm on my way  
Yeah I'm steppin out of the haze  
And it's so

CHORUS

I wanna put the past behind  
Try and maybe I can find better days  
Clear to me now  
I got a whole new perspective  
It's so clear to me now  
You can't treat me that way  
It's so

CHORUS

F-C-Dm-Am  
F-C-Dm-Am

Suns going down on a Saturday  
And I feel alright  
I feel okay

## Acordes
