F C Dm

So clear

Why did I smile when I hurt inside
Said I was okay when I knew it's a lie
I wanted to believe in you
You took your chances
And one was me
So I'll just forgive you
And set you free
I'm on my way
Yeah I'm steppin out of the haze
And it's so

CHORUS

I wanna put the past behind
Try and maybe I can find better days
Clear to me now
I got a whole new perspective
It's so clear to me now
You can't treat me that way
It's so

CHORUS

F-C-Dm-Am F-C-Dm-Am

Suns going down on a Saturday And I feel alright I feel okay
