

Miley Cyrus - Communication

```
tom:
Intro: G D G
       D G
 For twenty-seven years I've been trying
To believe and confide in
Different people I've found
 Some of them got closer than others
Some wouldn't even bother
And then you came around
 I didn't really know what to call you
You didn't know me at all
But I was happy to explain
I never really knew how to move you
So I tried to intrude through
The little holes in your veins
And I saw you
But that's not an invitation, that's all I get
If this is communication, I disconnect
                                     Gbm
I've seen you, I know you but I don't know how to connect
Em A G A
So I disconnect
( D G A D )
 You always seem to know where to find me
```

```
And I'm still here behind you
In the corner of your eye
I'll never really learn how to love you
But I know that I love you
Through the hole in the sky
Where I see you
And that's not an invitation, that's all I get
If this is communication, I disconnect
I've seen you, I know you but I don't know how to connect
Em A G
So I disconnect
( Bm Dbm Dbm A )
E B Dbm Dbm
Ah ah
( Bm A )
Well this is an invitation, its not a threat
If you want communication, I disconnect
I'm talking and talking but I don't know how to connect
And I hold a record for being patient
 E I
With your kind of hesitation
A I need you, you want me but I don't know how to connect
   So I disconnect
  Dbm B E A
