Miley Cyrus - Don't Walk Away

Tom: G
Intro: G Em C D (use palm muting)Listen to song to hear pattern

Verse 1:
```
G           Em
Ive been running
C                   D
In circles all day long.
G           Em
I'm out of breath,
C               D
but I'm still going strong.
```

Pre-Chorus:
```
C                           Am
I'm gonna get you, yeah, no matter what they say.
C                       Am            C-D
You think I'm losing, but I always get my way.
```

Chorus:
```
G           Em              C           D
Don't walk away when I'm talking to you.
G           Em              C       D
This ain't no time or your bad attitude.
G
Don't gimme,
Em
That face.
C                       D
When you know I'm really down for the chase.
```

```
               G
Cause my hearts already in it
               Em
And I'm never gonna quit it.
                   C
When you finally gonna get it.
D
Don't walk away.
```

(Intro Chords again)

Verse 2:
```
G           Em
You act, act like
C           D
That I don't have a clue.
G           Em
You think,you know it all,
C           D
but I'm so onto you.
```

Pre-Chorus:
```
C               Am          C           Am
You think you've figured out just how to win this game.
C       Am              C           Am
I'm on your tracks, yeah, I know every move you make.
```

Chorus...same

```
       D       G
Dont walk away.
