If forever is out the door

I'll ignore when you call

Dm
You told me you were coming back, right back
Bb
You promised it was real and I believe that
F C
But if I fall for it again, I would be a fool
F C
If our love is at the end, then why do I still want you

Dm Bb
But I guess I got no valentine
F
Send me roses, I just let 'em die
C F
I was crazy thinking you were mine
C
It was all just a lie

[Chorus]

Dm Bb
Drive my heart into the night
F C F C
You could drop the keys off in the morning
Dm Bb
Cause I don't want to leave home
Without your love
Without it

[Bridge]

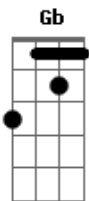

Dm
I always knew I never wanted this
Bb
I never thought it could happen
Dm
You acted like you wanted this
F C
But then you lead me on
Dm Bb
I thought you would be there when I go
Dm F C
You promised you would be there when I go
Dm
But all the broken promises I won't miss, I'm finished
Bb
All I know are the facts
Dm
That when I look you in the eyes, all I see are the lies
F C
Been there done that

[Chorus]

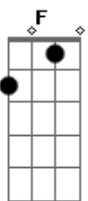

Dm Bb
Drive my heart into the night
F C F C
You could drop the keys off in the morning
Dm Bb
Cause I don't want to leave home
Without your love
Without it

(Dm Bb F C F C)
