# Miley Cyrus - Giving You Up

Tom: G

    (intro 4x)

(G   C)

```
G
What - could you hope to achieve
When I'm cryin' and you know why
C
How - do you find your reasons
       G
In my deepest, darknest night
Em              C
  I keep givin' you up

G
   I remember when
       C
You were my only friend
     G
Now I'm not - sure you can
     C
Feel like that again
Em              C
  I keep givin' you up

G
    And my
                 C
You know my mind's made up this time
                     Em
There's no goin' back to find
      C
What we had
        G
  And I know
                   C
There's no light here left to shine
                    Em
There's no wrong when there's no right
    C
So enough
            G
I'm givin' you up

C       G
      All the things that you said
Well you seem to forget
        C
They're surroundin' my head
      G
Every night

G
And there's a battle within
     C
That I'll never win
               G
'Cause it's me that I'm up against
     C
It's my heart versus common sense
Em          C
  Can I give you up
```

```
G
