

# Miley Cyrus - Goodbye

Tom: **B**

(intro) **Gb Db B Db**

**Gb Db Ebm**  
I can honestly say you've been on my mind

**B**  
Since I woke up today (up today)

**Gb Db B**  
I look at your photograph all the time

**Db Ebm**  
These memories come back to life

**Db**  
And I don't mind

**Gb Db Ebm B**  
I remember when we kissed

**B**  
I still feel it on my lips

**Gb Db**  
The time that you danced with me

**Bbm B**  
With no music playing

**Gb Db**  
I remember the simple things

**Bbm B**  
I remember till I cry

**D E**  
But the one thing I wish I'd forget

**D E**  
The memory I wanna forget

**Gb Db B Db**  
Is Goodbye

**Gb Db Ebm B**  
I woke up this morning

**B**  
And played our song

**Gb Db B**  
And through my tears, I sang along

**B**  
I picked up the phone and then put it down

**Dbm Ebm**  
Cause I know I'm waisting my time

**Db**  
And I don't mind

**Gb Db Ebm B**  
I remember when we kissed

**B**  
I still feel it on my lips

**Gb Db**

The time that you danced with me

**Bbm B**  
With no music playing

**Gb Db**  
I remember the simple things

**Bbm B**  
I remember till I cry

**D E**  
But the one thing I wish I'd forget

**D E**  
The memory I wanna forget

( **Gb Db Bbm B Db** )

**Gb Db**  
Suddenly my cell phone's blowing up

**Bbm B**  
With your ringtone

**Gb Db**  
I hesitate but answer it anyway

**Bbm B**  
You sound so alone

**Gb Db**  
And I'm surprise to hear you say

**Gb Db**  
You remember when we kissed

**Ebm B**  
You still feel it on your lips

**Gb Db**  
The time that you danced with me

**Bbm B**  
With no music playing

**Gb Db**  
You remember the simple things

**Bbm B**  
We talked till we cried

**D E**  
You said that your biggest regret

**D E**  
The one thing you wish I'd forget

**Gb**  
Is saying Goodbye

( **Db B Db** )

**Gb**  
Saying Goodbye

**Db B**  
ooh

**Db Gb**  
Goodbye

## Acordes
