Tom: **G**

D
They say love grows, but I've only seen it die **Em**
D
I'm too young to feel like I'm runnin' out of time **Em**

D
I get so scared

Em
Thinkin' I'll never get over you **D**
I'll always be making a compromise **Em**
No matter what I do, ooh **D**
And maybe I'll never get over you **Em**

D
I've heard no one controls what happens in our lives **Em**
D
Em
The universe gets to decide, our future is written up here in the sky

D
And I get so scared **Em**
Thinkin' I'll never get over you **D**
Everything I've imagined **Em**

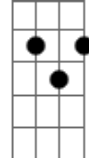

And none of our plans coming true

D
I met someone new and now I'm scared to go all the way **Em**
I hear you in my mind and can't let go of what you used to say **D**
I'm freakin', it's repeating when you said there'll never be a day **Em**
When letting go feels like before tonight we're tryin' anyway

D
And I get so scared **Em**
Thinkin' they'll all be just like you **D**
All the ways that you hurt me **Em**
And all of the shit you put me through **D**
But, baby **Em**
I'm only just like you **D**
Or maybe, I'll never come close to you **Em**
So maybe, I'll never get over you **D** **Em**
Baby
