 When I saw you over there  
**A**  
 I didn't mean to stare,  
**G**  
 but my mind was everywhere  
**D**  
 I wanna know you  
**D**  
 Gonna I guess that you're the kind  
**A**  
 to say whats on your mind,  
**G**  
 But you listen  
**D**  
 when I have something to show you.  
**D**  
 There's a mark above your eye  
**A**  
 You got it in July  
**G** **D**  
 Fighting for your sister's reputation  
**D**  
 You remember people's names
